Hapuna Anti Frizz Silky Reconstructor has been formulated free of sulfate, paraben and sodium chloride, using only natural botanicals and extracts to free hair of frizz and flyaways. This incredible formula locks in moisture and protects hair from excess humidity without adding weight and build-up. Specially selected extracts protect hair color from fading, while prolonging color life. This can be used as an excellent healthy hair reconstructor when used on chemically treated or severely damaged hair. Perfect for maintaining straight hair and should be used with all chemical straightening systems or color services. May be used daily on all hair types.
